## SPACES NOTES

Groups or individuals renting a particular area of the church have exclusive use of that space for the agreed rental time. No other groups or meetings will interfere with the rented area. Renters agree to not interfere with other users in other spaces in the building. Corridors and restrooms are common spaces and must be shared.

UNITS are approximately 3-5 hours long – arrival to departure, inclusive

### EXAMPLES

Performance or Public Presentation = 1 Unit (Sanctuary, Fellowship Hall & adjacent rooms)

- This includes time for setup, performance and cleanup – all done in the same time block. For example, the organizers arrive at 5:00 for a 7:00 show and leave the building at 10:00.

Rehearsal = 1 unit (could be Sanctuary where the performance will be, or in the Pennell Wing - Merrymeeting Bay Room)

- For example arrive at 2:00 and rehearse until 5:00 in preparation for a performance. If no fees are being charged this would usually fit into Rental Group 2
- A performance following the rehearsal would be an additional unit

Meetings - # units depends on the length of the meeting/reservation

- Groups usually rent the Merrymeeting Bay Room. With the moveable wall closed it is a single classroom (MMB-A), and when it is open the rental is for the whole Pennell Wing (see below).
- Meetings are usually scheduled for a Morning, Afternoon or Evening (for example 8:00-noon; 1:00-5:00; 6:00-9:00) = 1 unit each
- An All-day meeting (e.g. 9:00-4:00) = 2 units

## MEETING ROOMS

The most appropriate (and cost effective) space for meetings is in the Merrymeeting Bay Room – smaller groups fit into one half of the large space with the wall closed (MMB-A). This is the part of the room with windows and natural light; larger groups are more comfortable in the larger space with the wall open.

Groups that rent the whole Merrymeeting Bay Room (MMB-A & MMB-B) also have access to the 3 smaller classrooms. Please note that furniture in the small rooms is sized for children and teens and may not be suitable for adult meetings. However, the furniture can be rearranged, chairs brought in and used for break-out sessions. After the meeting the furniture must be reset as it was.
