SUNDAY SERVICES AT 10 A.M.

July 5 "Music is Spirit, Soul and Schubert"

Larry Lemmel and Grace Lewis-McLaren reprise Schubert's *Fantasie for Piano*... with stories, readings, and musical insights to deepen our experience of a masterpiece.

July 12 "Living with Uncertainty".

Gar Roper, worship leader. One great purpose of worship and spirituality is to help us live in the pervasive reality of uncertainty. Seeking and requiring certainty can limit the quality and meaningfulness of life. Embracing uncertainty can open us to the profound gift of joy and freedom. Music by Shannon Chase.

July 19 "The Way of Peace—Toward a Healing for the World"

Jim Scott, worship leader, mixes songs and stories in a message of peace and reconciliation for a wounded world and our struggling society. Amid wars, cataclysmic weather events, and an economic collapse, **any** long-term visions of sustainability have lately been obscured, if not abandoned. In this season of optimism and renewal of spirit for the work we have before us, our charge is nothing less than a job of healing the earth and ourselves.

Jim Scott is an exciting acoustic guitarist, singer, and composer of powerful music that furthers the ideals of ecology, justice, and peace. See page 10 to learn more about him.

July 26 "Love"

Sharon Brown, worship leader, reflects on the various kinds and examples of *love* that come from our hearts that are shown by giving of ourselves. Music by Jud Caswell.

THE CHURCH OFFICE WILL BE CLOSED ON FRIDAY, JULY 3.

Please have materials for the Thursday, July 2 This Week At UUCB Email and the Sunday, July 5 Order of Service and Green Sheet Announcements in to the office (via email preferable) by noon on Wednesday July 1

... MINISTER'S MUSINGS ...

Today as I was walking down the sidewalk in front of the church, I became completely intoxicated by the fragrance of the beach roses planted there. I am not sure I can think of a fragrance I love more than that one. It's even better than the fragrance of laundry hung outside on the clothesline – another favorite fragrance of mine.

Summer is upon us, even if the temperatures have been cooler than they sometimes are this time of year and the skies have seemed more routinely gray than we are accustomed to. Waking for my early morning walk is easy these days. By 5:30 AM, the sky has been light for quite some time. Often I am already wide awake before the alarm even sounds.

I have so loved this past church year. Our congregation feels vital and alive. We are growing in depth as well as numbers. The spirit in

the congregation feels hopeful and positive. At the same time, I am looking forward to resting for a little while this summer. I will be away for the month of July, spending part of my time on vacation and part of it on reading time – a period of time set aside for study and thought given to the coming church year.

The Worship Committee has recruited a roster of lay leaders to lead services while I am gone. Those services are a great way to hear some other voices and get to know fellow parishioners better. We are so fortunate that creativity abounds in our congregation. Should you have an emergency while I am away, call either the church office or a member of the Board of Trustees who will know how to reach the minister on call.

Some years ago, I discovered a recipe for blueberry pie handed down from my husband's aunt.

The recipe included all the usual ingredients you might think of: pie crust, wild Maine blueberries (she was a native Mainer), sugar, thickener of some kind, butter. But there was one ingredient I never would have expected. As part of the pie filling, the recipe called for three or four petals of the same kind of beach roses that grow in our church garden.

I have never had the opportunity to try that particular recipe, but I love the possibility it represents. – the notion of looking at the things in new ways, the creativity of combining elements that seem commonplace and coming up with something different, and the possibility of making the sweet things in life even sweeter.

This summer may sweetness be plentiful for you. May you see with new eyes. And may your spirits soar to new vistas.

Love, *Sylvia*

JOIN UUCB MEMBERS AND FRIENDS FOR DINNER AND FELLOWSHIP

During July and August, the Membership Committee will continue the long tradition of organizing Circle Suppers at the homes of members and friends. Longtime UUCBers already know this is a great way to make new friends over delicious pot luck dinners. For newcomers, this is a great way to become better connected with others for good food and fellowship.

Circle suppers are casual gatherings of 6 to 8, with guests bringing their favorite dishes. To participate, please email Debbie Zorach at dszorach@gwi.net or call her at 207-729-8103. We will need a few hosts and any number of diners! Bon Appetit!

JULY'S CHARITY WITH SOUL

COASTAL HUMANE SOCIETY

The Coastal Humane Society (CHS) is a 501(c)3 non-profit charitable organization, animal shelter, and companion animal adoption agency founded in 1950 and incorporated in 1965. Beginning as a volunteer-run shelter in an old barn not far from where the current shelter stands, it is now one of the largest animal shelters in Maine with a staff of 20 (including their own veterinarian, Dr. Mandie Wehr) and over a hundred active volunteers.

Currently serving 75,000 people across 450 square miles. In animal terms, that's over 3,000 stray, abused or abandoned cats, dogs, rabbits, ferrets, chinchillas, birds, hamsters and guinea pigs that are cared for annually.

Towns Served: Bowdoin, Bowdoinham, Brunswick, Durham, Falmouth, Freeport, Harpswell, Lisbon, Lisbon Falls, Phippsburg, Pownal, Topsham, Woolwich, Yarmouth

The Coastal Humane Society has cared for and adopted out tens of thousands of animals, and each one is spayed or neutered, fully vaccinated, tested, and ready for a new home. They offer a number of programs and services committed to compassionate care and excellent animal placements, returning lost animals to their families, providing support and resources for pet owners, and educating the community.

They receive no funding from the state or federal government, and town contracts make up less than seven percent of what it costs to run the shelter- for the rest so they rely on donations from people like us to keep our doors open.

SHELTER: 30 Range Road, Brunswick, ME 04011

SUMMER REFLECTION: A CHALICE CIRCLE FOR YOU NEXT YEAR?

Submitted by Karen Foley, UUCB Affiliated Minister

Yes! It's time to think about a new year of Chalice Circles! Fall is the start of a new Chalice Circle cycle.

Chalice Circles are an adult religious education program, a curriculum designed specifically for Unitarian Universalist seekers. They allow us to know each other on a deeper level than we can manage in coffee hour, or even most "normal conversation". A Chalice Circle is a chance to know others more deeply, and to explore the experience of your heart and spirit. Circles meet once a month October through June with the guidance of a facilitator. Each month, all Circles engage the same topic, which changes monthly.

Chalice Circles, initiated at UUCB by Sylvia, have been going strong for six years now, and will continue this year throughout her sabbatical. Many of you already know that I will retire at the end of August. I will discontinue Chalice Circle leadership after the current year's September meetings. So how will the program continue? Ah—we have a talented team to carry the Circles forward! Cindy Parker will create

the Circles and put them together with their facilitators. Jim Spicer will head a team to create and craft the topics for use in each session. Brad Mitchell will facilitate the facilitators' sessions. We anticipate that the involvement of more people passionate about Chalice Circles will lead to richness, depth, and breadth!

Each year it's a whole new set of Circles, reconfigured, so no Circle is replicated from year to year. (Yes, this means you have to sign up to be in one next year, even if you're already in one!)

Maybe you're in a Chalice Circle currently and would like to continue; maybe you previously partook, didn't this year, and would like to resume. Maybe you've never tried a Chalice Circle and are curious. Watch the August and September *Parish Messengers* for more about Chalice Circles, and for the sign-up form! And don't hesitate to talk to others about their experiences with Chalice Circles—or me

ENDING INEQUALITY

ENDING INEQUALITY: LET'S CONSIDER THE COLLECTION PLATE!!

Money can be a sensitive area for many of us and our church collection plate involves a rather public business of offering bills or coins in front of other people. It is arguably the least equalizing moment in our worship service. Since our church vision is "Ending Inequality", let's make the small, symbolic gesture of redesigning the collection plate. The purpose would be to offer more privacy and increase the sense of equality among members and visitors. Criteria have been defined: it must be a beautiful, durable, earth friendly, functional container with a cover and slot. We want to include children and youth in the design and/or selection. The End Inequality Leadership Team is looking for some interested folks who would be a task force to look at next steps. If you would like to join with others to work on this idea, please contact Carol Evans at carolevans26@comcast.net.

FUNDRISING

For 30 years the talented local folk-pop band Devonsquare (Tom Dean, Alana MacDonald, and Herb Ludwig) toured the US and Europe as well as releasing five CD's. From the pubs and folk stages of the Northeast, they developed a devoted fan base that has followed them from coast to coast and were commonly referred to as the #1 vocal group on the contemporary-folk music circuit.

The band's debut single "Walking on Ice" on Atlantic Records reached the top 20 in nationwide adult contemporary charts, and their follow-up record "Bye-bye Route 66" likewise garnered critical acclaim.

After the death of former band member Herb Ludwig in 2005, MacDonald and Dean took a 10 year hiatus from performing as Devonsquare. Fans are thrilled that they

have recently decided to tour again as Devonsquare, joined by longtime bass guitarist **Teg Glendon** and guitarist **Robby Coffin**.

Don't forget to tell all your music-loving friends about this special event.

Tickets are \$25 in advance or \$27 at the door. Available at the church office (729-8515), at Gulf of Maine Books, or ONLINE at <http://www.uucbdevonsquare.brownpapertickets.com>.

Arguably one of the best vocal pop/folk bands to come out of the New England area was a group called Devonsquare. Their tight three-part harmonies were immaculate, pure and pristine and their songwriting was equally good.

FUNDRAISING

VOLUNTEERS NEEDED!

Because of our very successful pledge campaign this year, the Fundraising budget has been reduced substantially. SO... if we are able to do all the fundraising events listed below, we can have a fun time AND give a good portion of our income to outreach... something we've wanted to do for a long time. We are looking for volunteers to organize one or more of these events, and/or we still need a chair for the Fundraising Events Committee. Please see our new Board Chair, Mary Larson, if you are interested.

. . . by buying pre-paid cards from Hannaford! Every dollar you spend at Hannaford, using one of our cards, nets a 5% return to the church -- easy money indeed! Cards are available for \$25, \$50 or \$100, and do not "expire" so you may spend as little or as much as you want each time.

Please see Caroline Evans or Ann Spencer during Sunday coffee hours (we try to stand at the sanctuary side of the social space), or you may see Shirley Bernier during church office hours. We appreciate your support with this ongoing fundraiser!

And don't forget to pick up your Clynk Bags on the table across from the kitchen window.

JIM SCOTT

Jim Scott will be leading the worship service on Sunday, July 19th. Jim gave a series of concerts to raise money for our new church building. The above photo was taken at the Auburn UU Church on Sept. 25, 2012 after their concert which raised more than \$600 for us.

Jim Scott is an exciting acoustic guitarist, singer, and composer of powerful music that furthers the ideals of ecology, justice, and peace. He co-wrote the celebrated *Missa Gaia - Earth Mass* and many other pieces with the Paul Winter Consort. He has recorded many albums of original music and has performed in 49 states and throughout Europe. Jim has long been active in the Unitarian Universalist (UU) Church, and has visited over 300 UU churches across the country, leading services, presenting concerts, and offering workshops. Three of Jim's songs are included in the Unitarian Universalist Hymnbook, and "Gather The Spirit," has become a favorite across the denomination.
